The amazing Evolution 180 was the Worlds first TCT Steel Cutting Circular Saw, with its 7" TCT blade, high power 1200-watt motor and a generous 2" depth of cut it has established itself across industries as the standard in Steel cutting technology. Many thousands of satisfied users will attest to its durability and versatility, whilst its compact dimensions and light weight make it ideal for use on or off site. All backed by the Evolution 12-Month warranty.
